(v) vegetarian, (vg) vegan, (nf) nut free, (gf) gluten free, (+o) option - Please let us know if you have any food allergies.

Food Allergy Statement: While we will endeavour to accommodate requests for special meals for customers who have food allergies or intolerances, we cannot guarantee completely allergy-free meals. This is due to the potential of trace allergens in the working environment and supplied ingredients.

Melaleuka Farm

We are proud to be a family owned & operated venue and our philosophy is to deliver a true W.A. farm-to-table experience for our guests.

Our beef is produced by us, at our farm in North Dandalup.

Our signature herd of cattle are “Akaushi” (or Red Wagyu), a Japanese breed that has allowed us to consistently produce a superior quality of beef. Our unique breeding program allows us to produce beef with a lower melting temperature of fat/marbling, making it both more tasty and healthier for you. As our herd size grows to meet our demand, local Dardanup Butchery Co. beef will also feature on our steak menu at times.

Enjoy premium produce at home, order online at mfmerchants.com.au & collect from us, at the C.Y O'Connor Village Pub Bottle Shop from 5pm every Friday.
